Conflict Free Minerals Policy Statement

We are certified members of the Responsible Jewellery Council since 2015.

The Gold used in the Jewelry supplied to all our customers is conflict free and in compliance to the 2010 "Conflict Minerals Trade Act" and the 2012 "Dodd Frank Act".

The Jewelry supplied is free of any conflict minerals and does not contain a level of lead or cadmium that would prohibit it from being sold or offered for sale pursuant to Article 10.1.1, chapter 6.5, Division 20 of the California Health and Safety Code (Section 25214.1 – 25214.4.2)

We have always strived to maintain a very high standard of integrity, ethics and compliance in relation to the above.

Sincerely,
